Architectural floor plan of the intermediate floor (PLAN ETAGE INTERMEDIAIRE). The plan shows a large central area divided into three main sections: Atelier LANER (left), Atelier LOCATION 1 (top right), and Atelier LOCATION 2 (bottom right). A central corridor and service area connect these sections. The service area includes a reception desk (Dépensement), a technical office (Bureau technique), a kitchen (Cuisine), a laundry room (Lavage), a toilet (Toilette), a WC, a shower (Douche), and a vestiaire. The plan also shows various storage areas (Général, 2700kg, 2000kg) and a staircase. Dimensions are provided for all rooms and overall sections. A scale bar at the top indicates distances from 0 to 200 meters.
